

Field Sculptures of NAGANO

Nagano-shi is famous as the city around Zenkoji, but also known as "the city of Sculptures". There are 149 field sculptures everywhere in the city. Every one is made by sculptor representing Japan. You can find many of those in the downtown area (between Nagano station and Zenkoji) and Joyama Park (next to Zenkoji) as well. Now take this map and find your favorite!!
